Office of the Dean
School of Science

Request for Increase in Maximum Course Load

Date: ____________________

Student Name: ____________________ ID: ____________________

Major: ____________________ CGPA: ____________________

Semester/Year Maximum Credit will be in force: ____________________

The above named student has requested to enroll in 5 course units to meet program requirements. I have examined the student's transcript to certify that the student's cgpa is 3.3 or higher. (If this requirement is not met, but circumstances warrant the increase, an explanation should be attached.) This student has been advised that a course load of more than 4.5 course units is strenuous and has indicated that he/she wishes to take on this schedule. Also, the student has been advised that this request is for one semester only.

Reason for request:

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Department Approval: ______yes ______no

Chairperson Signature: ____________________

School Approval: ______yes ______no

Dean or Assistant Dean Signature: ____________________

(This form should be taken to the Assistant Dean of the School of Science by the student. If approved, the increase in credits will be made and sent to Records and Registration for archiving, and the student will receive a copy.)
